Our story...

IT STARTED WITH A FEW WOMEN HELPING EACH OTHER, SHARING BUSINESS CONTACTS, INFORMATION AND IDEAS FOR SUCCESS. MORE THAN 30 YEARS LATER, WOMEN'S NETWORK AUSTRALIA IS THE COUNTRY'S LONGEST-RUNNING BUSINESS NETWORKING ORGANISATION FOR WOMEN.

Empowered Women, Empowering Women

With a vibrant community of women in business – from start-ups and micro business owners, to leaders of multi-national companies – Women's Network Australia isn't just about business leads, it's about leading business.

We are your Chief Supporters. We'll put you in touch with new opportunities, help you shine and sing your praises!

We'll open the door to a national network of experts who'll support you through the lows and celebrate your highs.

We are your Dream Believers. We offer real friendships and real connections. Women's Network Australia has been helping women make their business dreams come true for over 30 years.

*You're a woman
on a mission—
a multi-tasker,
leader, learner
and more.*

But even Superwoman needs backup!

Women's Network Australia provides a network of connections to help you share the load, see the light and break the glass ceiling!

Self-doubt? Say no more. We've been there too. We've had sleepless nights; we've watched others pass us by; we've told ourselves we're not worthy.

Then, we got together. We shared our story and heard yours.

We still have doubts... but now, we have them *together!*

Women's Network Australia is a group of empowered women, empowering women. We share our knowledge, our experiences and our friendship for the benefit of all our members.

Our mission

Provide a strong network of contacts and a sharing culture.

Provide access to professional and personal development information in a unique and supportive business environment.

Inspire and encourage women to develop professional strategies and skills for success in business.

Provide a platform for like-minded individuals to share information, ideas and knowledge and bring about positive change for women and girls.

Provide a forum for the recognition of women's achievements and create role models for young women to aspire.

Lift the level of awareness, acceptance and visibility of women and the talents and resources they contribute to the community and the economy.

Raise your profile

Build visibility, Get Seen and Speak Out! Apply to be a Guest Speaker at one of our live or online events.

As a membership-based organisation, we give preference to WNA Members for speaking and promotional opportunities.

Join WNA so you can become actively involved and build your profile within our network. Our Members support each other in their business pursuits and prefer to do business with fellow Members.

Get published

By sharing your expertise, insights and small business guidance in our Blog or Business Magazine, you are supporting women business-owners to reach their full potential, with wider benefits to the community and the economy.

If you want to get your business or product in front of an engaged group of women buyers and decision makers, contact us about digital and print promotions.
